The **Provisional Camp Troop** is a resident camp for Scouts who can't go to summer camp with their troop or just want more weeks at camp. Choose to work on advancement and merit badges or just have fun at camp. We provide adult leaders with many years of troop experience. Come for one or more weeks as an individual or with some of your friends. We provide the program, leadership, meals, campsite, and the Scouting. All you do is provide the Scout!

Boy Scout Day Camp is for Scouts who can't stay overnight, but want to work on advancement, merit badges or just have fun. You provide your own transportation. Optional dining hall meals are also available. Drop your Scout off after 8:30 AM and pick up by 5:45 PM. Times are flexible to fit your needs. Half day, full day and weekly programs are available.

Trail to Eagle Camp is a week-long resident camp designed to help you achieve the Eagle rank. You will form a troop in camp with like-minded Scouts and experienced adult leadership. The program guides you through the advancement process and helps prepare you for your service project. All Eagle required merit badges are offered. Each week is limited to 24 Star or Life Scouts who will be at least 13 years old on July 1, 2015.

Come join us for our **74th season** at one of the finest and longest running Boy Scout camps in the USA. Winnebago is located in the heart of the Copperas Mountains in Rockaway NJ. We have **large, private campsites**

with hundreds of wooded acres for a great summer camp experience. Durham Pond is a private oasis for swimming, boating, sailing and amazing bass fishing.

Winnebago's programs are first rate! Our full day Dan Beard program for first year campers gets rave reviews. Merit badges have **small classes** with lots of personal attention. Our experienced, dedicated staff is always at your service and ready to assist your troop with any special needs including in-camp and off site adventures.

Each wooded campsite includes: a water spigot, latrine with washstand, flag pole, bulletin board, picnic table for each patrol, and a fire pit. Most sites have covered pavilions with storage. Sleep on cots in wall tents or lean-tos.

We have two shower houses with individual stalls and plenty of hot water. Our central bath house has flush toilets.
