Trying to figure out what needs to be done to achieve the rank of Eagle Scout?

Wonder about your motivation to become an Eagle Scout?

Need some time to focus on your advancement free of outside pressure?

Want to have some fun with older scouts at summer camp?

Wouldn't it be nice to camp, be with, and work with scouts in your same position?

Winnebago Trail to Eagle will provide this, plus you gain valuable experience working with your peers on your advancement toward Eagle rank.

What is Trail to Eagle Camp?

This is a week long valuable experience that will assist in achieving your goal of attaining the Eagle rank. You form a Troop in camp with like-minded scouts led by experienced adult leadership provided by Camp Winnebago. Many friendships are quickly found and the group participates in camp as a cohesive Troop.

The program is designed to guide you through the advancement process and prepare you for your service project. Focused discussions with the leaders, staff and fellow Troop members help explore your challenges and drive toward your scouting goals.

All Eagle required Merit Badges are offered. You need to review requirements before camp to determine which requirements can be done before camp or after camp to complete the Merit Badge.

Multiple week discount is available. See 2010 Camp Fees.

This program is open to Star rank Scouts and above who are 13 years old by July 1st. Enrollment is on a first come basis. Limited to 26 per week, so sign up early!
