

2013 Warren Wheeler Adventuershhip Request

This request may only be used by Scouts registered in the Patriots' Path Council. The purpose of this adventuershhip request form is to apply for financial assistance for all Patriots' Path Council summer camp programs, high adventure programs, NOAC, National Youth Leader Training, National Advanced Youth Leadership Experience, and National Jamboree. An award is subject to the availability of funds and administered by a volunteer committee.

Every Scout should be given an opportunity to take part in all Scouting adventures. This adventuershhip program has been established so that Scout families will find these programs within reach. As with all Scout programs, it is based on the time honored principle that an individual earns his own way. By far the best way to acquire the necessary resources is for the Scout to begin a work and savings program far in advance.

Adventuershships will be based on need, and normally will be considered for only a portion of the cost of a single program (i.e., one camp session, one high adventure trip, etc.) per year. Scouts are expected first to raise what funds they can from work, savings, family support and unit or community contributions. Please write a one-paragraph statement on the back of this form explaining the financial need and/or special circumstances surrounding your request for an adventuershhip. (A parent may provide this explanation for younger Scouts.) We will emphasize confidentiality.

**Please file your adventuershhip request using the following deadlines. Adventuershhip requests cannot be processed after these dates:
