

Camp Wheeler is looking to hire bus monitors this summer!

Do you love camp?
Help us make this summer the best yet!

Camp Wheeler is hiring bus monitors - only a 1 week commitment!

Bus monitors will ride the bus in the morning from the start of the route to camp, and in the afternoon to the end of the route. Monitors are responsible for Scout's behavior and daily check-in. While at camp, monitors can participate in camp programs, join your son's den as additional leadership, or just relax by the lake. An interview and detailed explanation of the position will be conducted by the camp administration.

Attractive discounts on Summer Camp are just one of the many benefits of our Bus Monitor program.

As a Camp Wheeler staff member, you are joining the most successful Cub Scout summer camp staff yet!

If you, or someone you know, is interested, visit
